Dear County Commissioners,

I am writing to express my interest in the open Glenwood Springs area vacancy on the Garfield County Public Library Board of Trustees.

As a mother of two school-aged children, an active community member, educator, and regular library patron, I believe I can be of service to the Garfield County Libraries. I have many years of experience working with all ages in the education sector and have served locally as a volunteer on a pre-school board of directors, on public school advisory boards and taskforces, and as a leader in the arts and local scouting troops. I am an author and I have experience working in a library setting, and a strong commitment to making our libraries places where all can feel safe and welcome.

I was glad to be able to share my perspectives on library function and leadership at the first round of interviews, and I appreciated the positive endorsement of interest from Commissioner Jankovsky. I look forward to having another opportunity to share my skillset and interests in the next round of interviews. As an educator, a community member, and a mother, I feel strongly that our Library District deserves a strong Board of Trustees that listens to all members of our community.

Thank you, sincerely,

Maureen Biermann
