Dear Business Owner,

On behalf of Garfield County 4-H Council, we would like to ask for your contribution in support of our 4-H program in Garfield County. Each year the Garfield County 4-H Council hosts a family event in conjunction with Rifle Rendezvous. We call this event Shamrock Shindig.

To assist with covering the costs for this family event and to raise money and promote the Garfield County 4-H program we are asking for your assistance. We are seeking donations for our silent auction or live auction as well as cash. The funds raised from the auction will offset the costs of the family event on Friday, May 16, 2025 as part of Rifle Rendezvous. Other funds raised will help send Garfield County 4-H members on leadership trips and provide college and trade school scholarships.

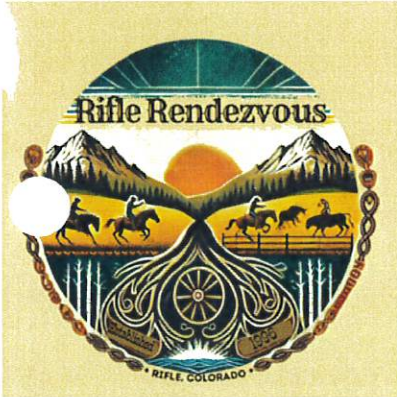

The accomplished youth of the Garfield County 4-H are a credit to their families and each one of us. Youth ages 5-18 are active in a diverse array of project areas, "learning by doing" and developing leadership, citizenship, and vital life skills. Community Service projects are a cornerstone of the 4-H Program, and a requirement for all Garfield County 4-H members. Through club and County events, after school programs, community-based media, new technologies, and outreach in our towns across Garfield County and beyond, 4-H members (and scores of adult volunteers) are reaching a broad population.

The knowledge and skills gained through 4-H projects are invaluable, and those youth who participate at the local, regional and National level are developing life skills to become leaders of our communities. Please feel free to contact the CSU Extension Office at 970-625-3969 and speak with Carla or Katie, if you have any questions.

We are so grateful to have your support for the Garfield County 4-H program.

Best Regards,

Garfield County 4-H Council Officer
